

## Fill in the gaps

reli me none of your longings	i ve been better with the things i said
I don't need (1) or you	When I took the (10) instead of (11)
And leave me none of your wisdom	lead
I don't need your lies or your truths	I've been (12) (13) the sky was
I've been better when the sky was red	red
And a face like yours couldn't make me scared	And a face like yours couldn't make me scared
I've been better with the things I said	I've been better with the things I said
When I (2) the lead instead of being lead	When I took the lead instead of being lead
(3) me none of your lines	I've (14) better when the sky was red
I won't fall for them, because I'll lose	And a face like (15) couldn't (16) me
And hold me to (4) of my words	scared
I don't mean them when I'm with you	I've (17) better (18) the things I said
And the (5) (6) past with a	When I took the (19) instead of (20)
(7) inside	lead
Why is my life in your eyes?	I've (21) better (22) the sky was red
And the windows (8)	And a face like yours couldn't make me scared
(9) the hearts they've known	I've been better (23) the (24) I said
Why is my heart never mine?	When I took the (25) instead of being lead
I've been better when the sky was red	I've been better, I've been better
And a face like yours couldn't make me scared	I've (26) better, I've been better oh (bis)
