## Nothing To Fear by Chris Rea

## Fill in the gaps

I feel your heat in dusty whispers
The wind is cold around (1) moon
It's getting hard to keep our distance
I know your (2) is coming soon
Don't point your dream on my horizon
Don't take your rose too far from home
Please don't forget we're not each other
Each (3) has black thorns of his own
I see you dancing
Your song is clear
You've got to show me, got to show me
There's nothing to fear
Nothing to fear
Nothing to fear  I (4) my loved ones you have yours
I (4) my loved ones you have yours
I (4) my loved ones you have yours  So let us gaze (5) the feast
I (4) my loved ones you have yours  So let us gaze (5) the feast  In God's own name let's eat together
I (4) my loved ones you have yours  So let us gaze (5) the feast  In God's own name let's eat together  In God's own (6) please come in peace
I (4) my loved ones you have yours  So let us gaze (5) the feast  In God's own name let's eat together  In God's own (6) please come in peace  See how our children (7) together
I (4) my loved ones you have yours  So let us gaze (5) the feast  In God's own name let's eat together  In God's own (6) please come in peace  See how our children (7) together  While you and me we stand alone
