| (1) there's the high-school where we met | These streets are (7) bring me down |
|---|--|
| We'd sneak out back | Got to find a way to finally get out |
| For a couple kisses and a cigarette | Out of this goodbye town |
| And (2) parking lot was our first date | I can't erase the memories |
| And her momma slammed the door | And I can't (8) the whole (9) down |
| When I dropped her off too late | No this ain't nothing |
| She's gone | Nothing but a goodbye town |
| Chasing that highway wind | To hell if I'm sticking around! |
| She's gone | Got to find a way to finally get out |
| She ain't coming back again | Out of this goodbye town |
| This ain't nothing | Oh yeah, out of this (10) town |
| Nothing but a goodbye town | I'm out of this town |
| These streets are only bringing me down | So out of this town |
| Got to find a way to finally get out | You'll be just a memory in the back of my mind |
| Out of this goodbye town | You'll be just a memory yeah |
| We sat down on (3) courthouse steps | Oh, somewhere in the back of my mind |
| Fourth of July those fireworks over our heads | In the back of my mind |
| And they'd ring the bells of that little church | One day you're going to look back at what we had |
| No, there ain't nowhere I can (4) that doesn't hurt | You're going to think of me |
| She's gone | You're going to think of me |
| But I still (5) her on my skin | When I'm long gone |
| She's gone | I'll be long gone |
| But she ain't coming (6) again | |
| This ain't nothing | |
| Nothing but a goodbye town | |
