## Goodbye town by Lady Antebellum

Right there's the high-school where we met	These streets are (16) bring me down
We'd sneak out back	Got to find a way to finally get out
For a couple (1) and a cigarette	Out of this goodbye town
And that (2) lot was our first date	I can't erase the memories
And her momma slammed the door	And I can't burn the whole place down
(3) I (4) her off too late	No (17) ain't nothing
She's gone	Nothing but a (18) town
Chasing that highway wind	To hell if I'm (19) around!
She's gone	Got to (20) a way to (21) get
She ain't coming back again	out
This ain't nothing	Out of this goodbye town
Nothing but a (5) town	Oh yeah, out of this goodbye town
These streets are only bringing me down	I'm out of this town
Got to find a way to (6) get out	So out of (22) town
Out of (7) goodbye town	You'll be (23) a memory in the (24) of
We sat down on those courthouse steps	my mind
(8) of July those (9)	You'll be just a memory yeah
(10) our heads	Oh, somewhere in the back of my mind
And they'd ring the (11) of (12) little	In the back of my mind
church	One day you're going to look (25) at
No, there ain't nowhere I can (13) that doesn't hurt	(26) we had
She's gone	You're going to think of me
But I still (14) her on my skin	You're going to think of me
She's gone	When I'm long gone
But she ain't coming back again	I'll be long gone
This ain't nothing	
(15) but a goodbye town
