

Fill in the gaps

vveil, all the parties on the streets are talking	You might be tired, but I'm not
Storefront mannequins (1) in the lights	I don't know why you don't take me downtown
We used to smoke while we were jaywalking	Like you got anywhere better to be
Like it was your birthday every other saturday night	You talk it up and give me the go round, round
Knew the (2)	Like a (6) time tease
So we never paid our cover	I'm only counting on (7) cancellation
Wrote our names on the bathroom tiles	When I should be counting on you at my door
We never dressed to impress all the others	Did you forget about how we ran around
They would let us in on our (3) back kind of style	I don't know why you don't (8) me downtown
But boy you know it's been a while	anymore
I don't know why you don't take me downtown	I don't know why you don't take me downtown
Like you got anywhere (4) to be	Like you got anywhere better to be
You talk it up and give me the go round, round	You talk it up and give me the go round, round
Like a good time tease	(9) a good time tease
I'm only counting on your cancellation	I'm only counting on your cancellation
When I should be counting on you at my door	When I should be counting on you at my door
Did you forget about how we ran around?	Did you (10) about how we ran around
I don't know why you don't take me downtown anymore	I don't know why you don't take me downtown anymore
Oh anymore	Oh anymore
I got some platforms sitting in the corner	Yeah, I don't know why you don't take me downtown
They wanna stroll on a city sidewalk	I don't know why you don't take me downtown anymore
I got a dress that'll show a (5) uh uh	I just don't get it
But you ain't getting uh uh	
If you don't come pick me up, show me off
