Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again

But that's not unusual

It's just that the moon is full

And you (1)_____ to call

And here I sit, hand on the telephone

Hearing the voice I'd known

A couple of light years ago

Heading straight for a fall

But we both know what memories can bring

They bring diamonds and rust

Yes we both know (2)_____ memories can bring

They bring (3)_____ and rust

Now I see you (4)_____ all around and snow in your hair

Now we're smiling out the window of the crummy hotel over Washington Square

Our (5)_____ comes on white clouds, mingles and hangs in the air

Speaking strictly for me, we both could've died then and there

Now you're (6)_____ me you're not nostalgic

Then give me another word for it

You were so good (7)_____ words

And at (8)_____ things vague

'Cause I need (9)_____ of that vagueness now

It's all come back too clearly

Yes, I love you dearly

And if you're offering me diamonds and rust, I've already paid

But we both know what memories can bring

They bring diamonds and rust

Yes we both know what memories can bring

They bring diamonds and rust

Diamonds, Diamonds and Rust

Diamonds, Diamonds and Rust

Diamonds, Diamonds and Rust

Don't want no more diamonds, (10)_____ and rust

Answer

1. decided
