When you sing to me

## Fill in the gaps

## Soundtrack of my summer by Mike Viola

A dreamer who's (1)	how to dream	Waves crash on the beach	
A singer when nobody's listening		You (6) be the (7)	of my
You're an optimist		summer	
You think that everything works out		Baby, you don't have to be a star	
You're a rising sun		I will hear your voice in three part harmony	
Setting fire to the clouds		When I'm alone driving in my car	
You will be the (2)	of my summer	A dreamer	
Baby, you don't have to be a star		The kind that I've been searching for	
I (3) hear (4) (5)_	in three	A dreamer	
part harmony		That left me wanting more	
When I'm alone driving in my car		You will be the (8)	of my summer
I was alright		Baby, you don't have to be a star	
Until you came along		I will hear your voice in three part harmony	
To breath new life		When I'm alone driving in my car	
Into my tired songs		You will be the soundtrack of my summer	
When you sing to me		You will be the soundtrack of my	
Wind rushes through the trees
