

When you sing to me

## Fill in the gaps

## Soundtrack of my summer by Mike Viola

A dreamer who's forgotten how to dream	Waves crash on the beach
A singer when nobody's listening	You will be the (3) of my summer
You're an optimist	Baby, you don't have to be a star
You think that everything works out	I will hear your (4) in three part harmony
You're a rising sun	When I'm (5) (6) in my car
Setting fire to the clouds	A dreamer
You will be the soundtrack of my summer	The kind that I've (7) searching for
Baby, you don't have to be a star	A dreamer
I will hear (1) voice in three part harmony	That left me (8) more
When I'm (2) driving in my car	You will be the soundtrack of my summer
I was alright	Baby, you don't have to be a star
Until you came along	I will hear your voice in three part harmony
To breath new life	(9) I'm alone driving in my car
Into my tired songs	You will be the soundtrack of my summer
When you sing to me	You will be the (10) of my
Wind rushes through the trees
