People call me superstitious	Come on and give up control
Well they'd better watch (1) tongue	-Give up-
This one is so malicious	Give up tainting my soul
Got me on the hit-and-run	-Give up-
Mirrors and suicide, it's got me terrified	You (8) so tall
Shock (2) deep inside	You come and take it all
Intuition never lies	-Give up-
You (3) get what you want	Come on and give up control
Just by strutting your stuff	You're pretty, good looking
-Give up-	But I'm looking for a way out
Come on and give up control	You're pretty, good looking
-Give up-	But I'm looking for a way out
Give up tainting my soul	You're pretty, good looking
-Give up-	But I'm looking for a way out, out, out
You stand so tall	So you should give it up
You come and take it all	-Give up-
-Give up-	Come on and give up control
Come on and give up control	-Give up-
Saw you in a magazine and I (4) your double	Give up tainting my soul
spread	-Give up-
What does the future holds?	You stand so tall
Well you'd (5) keep your head	You come and take it all
People talking through my mind, (6) it down	-Give up-
Losing time under pressure so unwind	Come on and (9) up control
Catch you some other time	
You always get (7) you want	
Just by strutting your stuff	
-Give up-
