Here in the city the measure is frozen	rnis piace nash t treated me well
Billboards are screaming nothing is real	I have decided to leave this city
In every (1) town there's air you can breathe in	These buildings and people bring me down
It's not about the money or fast food on wheels	I have decided to leave this city
The lights are too bright for my eyes	I think that I'm gonna move to town
Inside there's a feeling	I won't make a sound
That rings like a bell	I won't follow this merry-go-around
I've had enough and I long for the silence	That keeps (5) (6) with or without
This (2) hasn't treated me well	me
I have decided to leave this city	I'm leaving I'm leaving I'm leaving
These buildings and people bring me down	(7) I'll make my way out of the city
I have decided to leave this city	Tomorrow I'll hop on a train or a bus
I think that I'm gonna move to town	I'll never stop running away from cities
(3) in the city no one's connected	(8) girls don't leave husbands
Careers are controlling everyone's lives	For boys like us
In every small town there's barely possession	I have decided to leave this city
Mothers aren't burdens or grandfathers' wives	These buildings and people bring me down
The lights are too (4) for my eyes	I have decided to leave this city
Inside there's a feeling	I think that I'm gonna move to town
That rings like a bell	I (9) (10) I'm gonna move to town
I've had enough and I long for the silence
