

Fill in the gaps

Extreme ways are back again	Extreme songs (15) told me
Extreme places I didn't know	They helped me (16) every night
I broke (1) new again	I didn't (17) much to say
Everything (2) I'd owned	I didn't get above the light
I threw it out the windows	I (18) my eyes and closed myself
(3) along extreme (4) I know	And closed my world and (19) opened up to
Move apart the colors of my sea	anything
Perfect color me	That (20) get me along
Extreme ways that help me	I had to close down everything
That (5) me out late at night	I had to close down my mind
Extreme places I had done	Too many things to cover me
But (6) see any light	Too much can make me blind
Dirty basements, dirty noise	I've (21) so much in so many places
(7) places coming through	So many heartaches, so (22) faces
(8) worlds alone	So many dirty things you couldn't believe
Did you ever (9) it planned?	I would (23) in line for this
I (10) for	It's (24) good in life for this
this	Oh baby, oh baby
There's always room in life for this	Then it fell apart, fell apart
Oh baby, oh baby	Oh baby, oh baby
Then it (13) apart, fell apart	Then it fell apart, it (25) apart
Oh baby, oh baby	Oh baby, oh baby
Then it (14) apart, it fell apart	Then it fell apart, it fell apart
Oh baby, oh baby	Oh baby, oh baby
Then it fell apart, it fell apart	(26) it (27) does, always does
Oh baby, oh baby	
Like it always does, always does
