When We Stand Together by Nickelback

One more depending on a prayer	We must (3) together
And we all look away	There's no (4) even
People pretending everywhere	Hand in hand forever
It's just another day	That's when we all win
There's bullets flying through the air	That's, that's (5) we all wir
And they still carry on	That's, that's when we all win
We watch it happen over there	The right thing to guide us
And (1) just turn it off	Is right here, inside us
We must stand together	No one can divide us
There's no getting even	When the light is (6) on
Hand in hand forever	But just like a heartbeat
That's when we all win	The drumbeat (7) on
That's, that's (2) we all win	And the drumbeat carries on
That's, that's when we all win	Just like a heartbeat
They tell us everything's allright	We must stand together
And we just go along	There's no (8) even
How can we fall asleep at night?	Hand in hand forever
When something's clearly wrong	That's when we all win
When we could feed a starving world	That's, that's when we all win
With what we throw away	That's, that's (9) we all wir
But all we serve are empty words
