

Fill in the gaps

I stared up at the sun	Washing what you know out the see
Thought of all (1) people	You can see your life out of the window tonight
Places and things I have loved	If I lose myself tonight
I stared up just to see	It'll be by your side
With all other faces, you were the one next to me	I (5) (6) tonight
You can feel the ligths start to tremble	If I lose myself tonight
Washing what you know out to see you	It'll be you and I
You can see (2) (3) out of the window	Lose myself tonight
tonight	Take us down and we keep trying
If I lose myself tonight	40,000 feet keep flying
It'll be by your side	(7) us down and we (8) trying
I lose myself tonight	40,000 (9) keep flying
If I lose myself tonight	Take us down and we keep trying
It'll be you and I	40,000 feet keep flying
Lose myself tonight	Take us (10) and we keep trying
I woke up with the sun	40,000 feet keep flying
Thought of all other people	Lose myself
Places and things I've loved	I lose myself tonight
I woke up just to see	
With all other faces, you were the one (4) to me	
You can feel the lights start to tremble
