## Fill in the gaps

Make it seems like it's been ages
And tomorrow sun with buildings scrape the sky
I love this country dearly
I can feel the latter clearly
But never thought I'd be alone to try
Once I was outside Penn station
Selling red and white carnations
We were still alone, my wife and I
Before we married, saved my money
Brought my dear wife over
Now I work to bring my family stateside
Got off the boat, they stayed a while
Then scattered across the coast
Once a year I'll see them for a week or so at most
I took a walk
Take a walk, take a walk, take a walk
(bis)
Practice isn't perfect but the market cuts a loss
I remind myself that times could be much worse
My (1) won't ask me questions
There's not so much to ask
And she'll never flaunt around an empty purse
Watch my mother lacking
Just to stay a couple nights
And (2) she would (3) the rest
of her life
I watch my little children
Play some boardgame in the kitchen

And I sit and (4)	
They never feel my strife	
But then my (5)	called to say
The pension funds were gone	
He made some bad investments	
Now the counts are overdrawn	
I took a walk	
Take a walk, take a walk, take a w	alk
(bis)	
Honey, it's your son	
I think I borrowed just too much	
We (6) taxes, we have	bill
We have a (7)	to front
And tonight I swear I'll come home	)
And we'll make love like we're you	ing
And tomorrow you'll cook dinner	
For the neighbors and (8)	kids
We can rip apart the socialists	
And all their damn taxes	
You'll see I am no criminal	
I'm (9) on (10)	bad knees
I'm just too much a coward	
To admit when I'm in need	
I took a walk	
Take a walk, take a walk, take a w	alk
