And tomorrow sun with buildings scrape the sky	But (15) my (16)
I love this country dearly	(17) to say
I can feel the latter clearly	The pension funds (18) gone
But never (5) I'd be alone to try	He made (19) bad investments
(6) I was outside Penn station	Now the counts are overdrawn
Selling red and white carnations	I took a walk
We (7) still alone, my wife and I	Take a walk, take a walk, take a walk
Before we married, saved my money	(bis)
Brought my dear wife over	Honey, it's (20) son
Now I work to bring my (8) stateside	I think I (21) just too much
Got off the boat, they stayed a while	We (22) taxes, we have bill
Then scattered across the coast	We have a lifestyle to front
Once a year I'll see them for a week or so at most	And tonight I swear I'll (23) home
I (9) a walk	And we'll make love like we're young
Take a walk, take a walk, take a walk	And tomorrow you'll cook dinner
(bis)	For the neighbors and (24) kids
Practice isn't perfect but the market cuts a loss	We can rip apart the socialists
I (10) myself that times could be much worse	And all (25) damn taxes
My wife won't ask me questions	You'll see I am no criminal
There's not so much to ask	I'm (26) on both bad knees
And she'll (11) flaunt around an empty purse	I'm just too (27) a (28)
Watch my (12) lacking	To admit when I'm in need
Just to stay a couple nights	I took a walk
And decided she would stay the rest of her life	Take a walk, take a walk, take a walk
I watch my little children	(bis)
Play (13) boardgame in the kitchen
