

Fill in the gaps

Sometimes, I (1) every single stupid word you say	You're the only love I've ever known
Sometimes, I (2) slap you in your whole face	But I hate you
There's no one quite like you	I really hate you so much, I think it (15) be
You push all my buttons down	True love, true love
I know life would suck without you	It must be true love
At the same time I wanna hug you	Nothing (16) can break my heart like
I wanna wrap my hands around your neck	True love, (17) love
You're an (3) but I (4) you	It must be (18) love
And you (5) me so mad I ask myself	No one else can break my (19) (20)
Why I'm (6) here	you
Or (7) could I go?	-Think it (21) be love-
You're the (8) love I've ever known	-I love you-
But I (9) you	-I think it must be love-
I really hate you so much, I think it must be	-I love you-
True love, true love	Why do you rub me up the wrong way?
It must be true love	Why do you say the (22) that you say?
Nothing else can break my heart like	Sometimes I (23) how we ever came to be
True love, true love	But without you I'm incomplete
It must be (10) love	Oh, I (24) it must be
No one else can (11) my (12) like	True love -it must be-
you	True love -think it must be-
Just once try to wrap your little (13)	True (25)it must be-
Around my feelings	Nothing else can break my heart like
Just once please try not to be so mean	True love -it must be-
Repeat, after me now: R-O-M-A-N-C-E-E-E	True love -think it must be-
(14) on, I'll say it slowly	True love -it must be-
-Romance- you can do it babe!	And no one else can break my heart like you
At the same time I wanna hug you	Like you
I wanna wrap my hands around your neck	No one else can break my heart like you
You're an asshole, but I love you	(26) you
And you make me so mad I ask myself	No one (27) can (28) my heart like
Why I'm still here	you
Or where could I go?
