

Fill in the gaps

Wake up, Maggie
I think I got something to say to you
It's late September and
I really should be (1) at school
I know I keep you amused
But I feel I'm being used
Oh, Maggie, I couldn't have tried anymore
You led me away (2) home
Just to save you (3) being alone
You stole my (4) but I love you anyway
The morning sun, when it's in your face
Really shows your age
That don't worry me none
In my eyes you're everything
I laughed at all of your jokes
My love you didn't need to coax
Oh, Maggie, I couldn't have tried anymore
You led me (5) from home
Just to save you from being alone
You stole my heart but I love you anyway
All I needed was a friend
To (6) a guiding hand

But you turned into a lover
And mother what a lover!
You (7) me out
All you did was wreck my bed
And, in the morning kick me in the head
Oh, Maggie, I couldn't have (8) anymore
You led me away from home
Just to save you from being alone
You stole my heart but I love you anyway
I suppose I could collect my books
And get on back to school
Or steal my daddy's cue
And make a (9) out of playing pool
Or find myself a rock & roll band
That needs a helping hand
Oh, Maggie, I couldn't have tried anymore
You made a first-class fool out of me
But I'm as blind as a fool can be
You stole my heart but I love you anyway
