## Fill in the gaps

## When you say nothing (BSO Nothing Hill) by Ronan Keating

It's amazing how you can speak	You'll catch me whenever I fall	
(1) to my heart	Because you say the best when you say nothing at all	
Without saying a word, you can light up the dark	The smile on your face (3) me know	
Try as I may, I can never explain	That you need me	
What I hear when you don't say a thing	Because there's a (4) in (5) eyes	
The smile on your face lets me know	Saying you'll never leave me	
That you need me	And the touch of your hand says	
There's a truth in your eyes	You'll catch me whenever I fall	
Saying you'll never leave me	Because you say the best when you say nothing at all	
The touch of your hand says	You say the best when you say nothing at all	
You'll catch me whenever I fall	You say the (6) (7) you say nothing at	
Because you say the best when you say nothing at all	all	
All day long I can hear people	The smile on your face	
(2) out loud	That look in your eyes	
But when you hold me near	The touch of your hand	
You can drown out the crowd	Let me know that you need me	
Try as they may, they could never define	You say the best when you say nothing at all	
What's been said between your heart and mine	You say the best when you say nothing at all	
The smile on your face lets me know	The smile on your face	
That you need me	That (8) in your eyes	
There's a truth in your eyes	The touch of your hand	
Saying you'll never leave me	Let me (9) that you need me
