When you say nothing (BSO Nothing Hill) by Ronan Keating

It's amazing how you can speak	You'll catch me whenever I fall
Right to my heart	Because you say the best when you say nothing at all
Without saying a word, you can light up the dark	The smile on your face lets me know
Try as I may, I can never explain	That you need me
What I hear when you don't say a thing	Because there's a (7) in your eyes
The smile on your face lets me know	Saying you'll never leave me
That you need me	And the touch of your hand says
There's a truth in your eyes	You'll catch me whenever I fall
Saying you'll never leave me	Because you say the best when you say nothing at all
The touch of your hand says	You say the best when you say nothing at all
You'll catch me whenever I fall	You say the best when you say nothing at all
Because you say the best when you say nothing at all	The smile on your face
All day long I can hear people	That (8) in your eyes
(1) out loud	The touch of your hand
But when you (2) me near	Let me know that you need me
You can drown out the crowd	You say the best when you say nothing at all
Try as (3) may, they could (4) define	You say the best when you say nothing at all
What's been said between your heart and mine	The smile on your face
The (5) on your face lets me know	That look in your eyes
That you need me	The touch of your hand
There's a truth in (6) eyes	Let me (9) (10) you need me
Saying you'll never leave me
