

You got the kind of love that I want, let me get that

Fill in the gaps

When you're ready come and get it	And baby once I get it
When you're ready come and get it	I'm (7) no take backs
When you're ready	I'm going to love you for life I ain't leaving your side
When you're ready	Even if you knock it ain't no way to stop it
When you're ready come and get it	Forever you're mine baby
You ain't got to (1)	I'm addicted no lie, no lie
It's an open invitation	I'm not too shy to show I love you
I'll be (2) right here real patient	I got no regrets
All day all night I'll be waiting stand by	So baby whenever you're ready
Can't stop because I love it	When you're ready come and get it
Hate the way I love you	When you're ready (8) and get it
All day all night maybe	When you're ready
I'm addicted for life, no lie	When you're ready
I'm not too shy to (3) I love you	When you're ready (9) and get it
I got no regrets	This love will be the death of me
I love you much to, (4) to hide you	But I know I'll die happily
This (5) ain't finished yet	I know I know I know
This (6) ain't finished yet	Because you love me so
So baby whenever you're ready	When you're ready come and get it
When you're ready come and get it	When you're ready come and get it
When you're ready come and get it	When you're ready
When you're ready	When you're ready
When you're ready	When you're ready come and get it
When you're ready come and get it
