

## Fill in the gaps

Found (1) at your door	And fast, nowhere to hide
Just like all those times before	Just you and me
I'm not sure how I got there	This is the last time I'm (13) you this
All roads, (2) lead me here	Put my (14) at the top of your list
I imagine you at home, in your room, all alone	This is the last time I'm (15) you why
And you open your eyes into mine	You break my heart in the (16) of an eye, eye,
And (3) better	eye
(5) before (6) eyes I'm breaking	This is the last (17) you tell me I've got it wrong
And fast, no reasons why	This is the (18) time I say it's (19) you
Just you and me	all along
This is the last time I'm asking you this	(20) is the last (21) I let you in my door
Put my (7) at the top of your list	This is the last time I won't hurt you anymore
This is the last time I'm asking you why	(22) is the last time I'm asking you this
You break my heart in the (8) of an eye, eye,	Put my name at the top of your list
eye	This is the last time I'm asking you why
You find yourself at my door	You break my heart in the blink of an eye
Just like all those times before	This is the last time I'm (23) you
You wear your best apology	(24) time I'm asking you
But I was there to (9) you leave	Last time I'm asking you this
And all the time to let you in	(25) is the last time I'm asking you
(10) for you to go again	Last time I'm asking you
Disappear when you (11) back	Last time I'm asking you this
Everything is better	
And (12) before your eyes I'm breaking
