

## Fill in the gaps

Found myself at your door		
Just like all those times before		
I'm not sure how I got there		
All roads, they lead me here		
I imagine you at home, in your room, all alone		
And you open your eyes into mine		
And (1) feels better		
Right before your eyes I'm breaking		
And fast, no reasons why		
Just you and me		
This is the last time I'm asking you this		
Put my name at the top of your list		
This is the last time I'm asking you why		
You break my (2) in the blink of an eye, eye,		
eye		
You find yourself at my door		
Just like all those times before		
You wear your best apology		
But I was (3) to watch you leave		
And all the time to let you in		
Just for you to go again		
Disappear when you come back		
Everything is better		
And right (4) your eyes I'm breaking		

And fast, nowhere to hide		
Just you and me		
This is the last time I'm asking you this		
Put my name at the top of your list		
This is the last time I'm asking you why		
You break my (5) in the b	link of an eye, eye,	
eye		
This is the last time you tell me I've got it	vrong	
This is the last time I say it's (6)	you all along	
This is the last (7) I let you in n	ny door	
(8) is the last time I won't hurt	you anymore	
This is the last time I'm asking you this		
Put my name at the top of your list		
This is the last time I'm (9)	you why	
You break my heart in the blink of an eye		
This is the last time I'm asking you		
Last time I'm asking you		
Last time I'm asking you this		
This is the last time I'm asking you		
Last time I'm asking you		
Last time I'm asking you this
