

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you (1)\_\_\_\_\_  
(2)\_\_\_\_\_ give me something  
For the state I'm in?  
I'm (3)\_\_\_\_\_ trouble and (4)\_\_\_\_\_  
(5)\_\_\_\_\_  
I got it wrong again  
I'm one (6)\_\_\_\_\_ sober  
I don't think I'm (7)\_\_\_\_\_ (8)\_\_\_\_\_ my  
predicament  
But if I jumped out of the window (9)\_\_\_\_\_ would she  
say?  
It's not on me, it's all on you  
We can't (10)\_\_\_\_\_ the things we do  
I can't believe her (11)\_\_\_\_\_ feet  
Walked over me, all over me  
(12)\_\_\_\_\_ me, (13)\_\_\_\_\_ me doctor  
It seems to be an awful lot for me to understand  
I know I'm not a specimen  
The troubles and the mess I'm in  
I should be dead  
He said, let's all think  
Then you've had all your fun  
It's time to be a man  
So you better quit your bitc\*ing  
(14)\_\_\_\_\_ about (15)\_\_\_\_\_ the people would  
say  
It's not on me, it's all on you  
I can't prescribe what you want me to  
You (16)\_\_\_\_\_ some sleep, you better leave  
He walked over me, all (17)\_\_\_\_\_ me  
Wait until tomorrow, and it's gone  
So long

Wait until tomorrow, so long  
And it's gone  
Wait until tomorrow  
You beg and steal and borrow till it's gone  
-He don't got a lot but he's got all he needs-  
I need someone to love  
-And all he's got well it's all (18)\_\_\_\_\_ he needs-  
Somebody (19)\_\_\_\_\_ me because  
I could hear the voices in the tube  
To get me through anything  
I do and (20)\_\_\_\_\_ will do (21)\_\_\_\_\_ by  
me  
A little pill, a little thrill  
Should I take it? I (22)\_\_\_\_\_ I will  
And anything (23)\_\_\_\_\_ do good so  
As long as it's always too good  
(24)\_\_\_\_\_ way I don't (25)\_\_\_\_\_ a d\*mn  
What you (26)\_\_\_\_\_ all say  
All now boy  
It's not on me, it's all on you  
I can't deny the (27)\_\_\_\_\_ I do  
I can't believe her pretty feet  
(28)\_\_\_\_\_ over me, all over me  
It's not on me, it's all on you  
There comes a time to speak the truth  
So you can see me when I leave  
Walk over you, all over you yeah
