And through the night, your face I see

#### Fill in the gaps

#### Doom and gloom by The Rolling Stones

I had a dream last night	Baby take a (5)
I was piloting a plane	Baby won't you dance with me?
And all the (1) were drunk and	Baby won't you dance with me?
insane	Fracking deep for oil but there's nothing in the sump
I (2) landed in a Louisiana swamp	There's kids all picking at the (6) dum
Shot up a horde of zombies	I am running out of water so I better prime the pump
But I come out on top	I am trying to stay sober but I end up drunk
What's it all about?	We'll be eating dirt
(3) it just reflects my mood	Living on this side of the road
Sitting in the dirt	There's (7) food for thought
Feeling kind of hurt	(8) of makes their heads explode
All I hear is doom and gloom	Feeling kind of hurt
And all is darkness in my room	But all I hear is doom and gloom
Through the light, your (4) I see	And all is darkness in my room
Baby take a chance	Through the night, your face I see
Baby won't you dance with me?	Baby, come on
Lost all the treasure in an overseas war	Baby won't you dance with me?
It just goes to show you don't get what you paid for	Baby won't you dance (9) me?
Bowing to the rich and you worry about the poor	I'm feeling kind of hurt
Put my feet up on the couch and lock out the doors	Baby won't you dance with me?
Hear a funky noise	Come on, dance with me
That's the tightening of the screws	I'm sitting in the dirt
Feeling kind of hurt	Baby won't you dance with me?
Sitting in the dirt	
All I hear is doom and gloom	
But when those drums go boom boom boom
