## Doom and gloom by The Rolling Stones

I had a dream last night	Baby take a chance
I was piloting a plane	Baby won't you dance with me?
And all the passengers were drunk and (1)	Baby won't you dance with me?
I crash landed in a Louisiana swamp	Fracking deep for oil but there's nothing in the sump
Shot up a (2) of zombies	There's kids all picking at the garbage dump
But I come out on top	I am (8) out of water so I better prime the
What's it all about?	pump
Guess it just (3) my mood	I am trying to stay sober but I end up drunk
Sitting in the dirt	We'll be eating dirt
Feeling kind of hurt	(9) on this side of the road
All I hear is doom and gloom	There's some food for thought
And all is darkness in my room	Kind of (10) their heads explode
(4) the light, your face I see	Feeling kind of hurt
Baby take a chance	But all I hear is doom and gloom
Baby won't you dance with me?	And all is darkness in my room
Lost all the treasure in an (5) war	Through the night, your face I see
It just (6) to show you don't get what you paid for	Baby, come on
Bowing to the rich and you worry (7) the poor	Baby won't you dance with me?
Put my feet up on the couch and lock out the doors	Baby won't you dance with me?
Hear a funky noise	I'm feeling kind of hurt
That's the tightening of the screws	Baby won't you dance with me?
Feeling kind of hurt	Come on, dance with me
Sitting in the dirt	I'm sitting in the dirt
All I hear is doom and gloom	Baby won't you dance with me?
But when those drums go boom boom boom
