

And I'm wasting away, away from you

## Fill in the gaps

## You had me at hello by A day to remember

I'm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What have I gotten into this time around?
(1) so I can get to you before the sun will rise	I (7) that I had sworn I'd (8) trust
I know the signs are on and I feel this too	anyone again
None of that seems to matter when I'm holding you	But I didn't have to
And I'm wasting away, away from you	You had me at hello
And I'm wasting away, away from you	-You gave me butterflies at the mailbox-
What have I gotten into this time around?	You had me at hello
I (2) that I had (3) I'd never trust	-You gave me butterflies at the mailbox-
anyone again	You had me at hello
But I didn't have to	(bis)
You had me at hello	What have I gotten into (9) time around?
I've never (4) a smile	I know that I had sworn I'd never (10) anyone
That can light the room like yours	again
It's simply radiant	But I didn't have to
It's even more with everyday that goes by	You had me at hello
I watch the clock so I can make my timing just right	You had me at hello
(5) it be okay? Would it be okay?	You had me at hello
If I (6) your breath away
