

## Fill in the gaps

## You had me at hello by A day to remember

rm (1) you so much	And I'm wasting away, away from you
I'll see you die tonight	What have I (23) into (24) time
Just so I can get to you (2) the sun will rise	around?
I know the signs are on and I (3) (4)	I know that I had sworn I'd (25) trust anyone
too	again
None of that (5) to matter when I'm holding you	But I didn't have to
And I'm (6) away, (7)	You had me at hello
(8) you	-You gave me butterflies at the mailbox-
And I'm wasting away, away from you	You had me at hello
(9) have I (10) into this	-You gave me butterflies at the mailbox-
(11) around?	You had me at hello
I (12) (13) I had sworn I'd never trust	(bis)
anyone again	What have I gotten into (26) time around?
But I didn't (14) to	I know that I had sworn I'd never (27) anyone
You had me at hello	again
I've never seen a smile	But I didn't (28) to
That can light the room like yours	You had me at hello
It's simply radiant	You had me at hello
It's even (15) (16)	You had me at hello
(17) (18) (19) by	
I watch the clock so I can make my timing just right	
Would it be okay? Would it be okay?	
If I (20) your breath away	
And I'm wasting away, (21) you
