

Fill in the gaps

You had me at hello by A day to remember

I'm missing you so much	And I'm (7) away, (8) from you
I'll see you die tonight	What have I gotten into this time around?
Just so I can get to you before the sun will rise	I know that I had sworn I'd never trust anyone
I know the signs are on and I feel this too	(9)
None of (1) seems to matter (2) I'm	But I didn't have to
holding you	You had me at hello
And I'm (3) away, away from you	-You gave me butterflies at the mailbox-
And I'm wasting away, away from you	You had me at hello
What have I gotten into this time around?	-You gave me butterflies at the mailbox-
I know that I had sworn I'd never trust anyone again	You had me at hello
But I didn't have to	(bis)
You had me at hello	What have I gotten into this time around?
I've never seen a smile	I know that I had (10) I'd never trust anyone
That can light the room like yours	again
It's simply radiant	But I didn't have to
It's even more with everyday that goes by	You had me at hello
I (4) the clock so I can make my timing just right	You had me at hello
Would it be okay? Would it be okay?	You had me at hello
If I took (5) (6) away	
And I'm wasting away, away from you
