

## Fill in the gaps

Hold me closer one more time	But now the sky is (19) and it's blue
Say (1) you (2) me in your last	And I see my future in it you
goodbye	I'll be waiting for you
(3) forgive me for my sins	When you're ready to love me again
Yes, I swam dirty waters	I put my hands up
But you pushed me in	I'll do everything different
I've seen your face (4) (5) sky	I'll be better to you
Over every (6) and on (7) line	I'll be waiting for you
You know my heart more (8) I do	(20) you're ready to love me again
We were the greatest, me and you	I put my hands up
But we had time against us	I'll be somebody different
And miles between us	Time against us
The (9) cried	Miles between us
I (10) I left you speechless	Heavens cried
But now the sky is (11) and it's blue	I (21) I (22) you speechless
And I see my future and in it you	(23) against us
I'll be waiting for you	(24) between us
When you're ready to love me again	Heavens cried
I put my hands up	I know I left you speechless
I'll do everything different	I know I left you speechless
I'll be better to you	But I'll be waiting
I'll be waiting for you	I'll be waiting for you
When you're ready to love me again	(25) you're ready to (26) me again
I put my hands up	I put my hands up
I'll be somebody different	I'll do everything different
Let me stay here for just one more night	I'll be (27) to you
Build your arms around me	I'll be waiting for you
You better (12) me to the light	W hen you're ready to (28) me again
So I can show you that I was wrong	I put my hands up
Since I was a child then	I'll be somebody different
But now I'm (13) to learn	I'll be better to you
It's (14) the (15) (16)	
us	
(17) between us	
The heavens cried	
I know I (18) you speechless
