SUB inglés

Fill in the gaps

Skyfall (BSO James Bond) by Adele

This is the end	At skyfall
Hold your (1) and count to ten	-Let the skyfall, (18) it crumbles
Feel the earth (2) and then	We will (19) tall
Hear my heart burst again	Let the skyfall, (20) it crumbles
For this is the end	We will stand tall-
I've drowned and (3) this moment	Where you go I go
So overdue I owe them	What you see I see
Swept away, I'm stolen	I know I'd never be me
Let the (4) when it crumbles	Without the security of your (21) arms
We will stand (5)	Keeping me (22) harm
Face it all together	Put your hand in my hand
Let the skyfall, when it crumbles	And we'll stand
We will stand tall	Let the skyfall, when it crumbles
(6) it all together	We will (23) tall
At skyfall, at skyfall	Face it all together
(7) is where we start	Let the skyfall, when it crumbles
A (8) miles and (9) apart	We will stand tall
(10) (11) collide and	(24) it all together
(12) are dark	Let the skyfall, (25) it crumbles
You may (13) my number	We will stand tall
You can take my name	Face it all together
But you'll never (14) my heart	At skyfall
Let the skyfall, when it crumbles	Let the skyfall
We will stand tall	We will (26) tall
(15) it all together	At skyfall
At skyfall, at skyfall	
Let the skyfall, (16) it crumbles	
We will (17) tall	
Face it all together	

Answe 1. breath
