

Fill in the gaps

But if only you could see them	CHORUS
You would know from their faces	Paradise, yeah
There were kings and queens	(Love paradise) one in and out is gonna make you feel good
Followed by princes and princesses	(Paradise) coming at you like a hurricane would
There (1) future power people	(Paradise) stay close to me I'll always be by your side
Throwin love to the loveless	Save it, baby, you know that it's all right
Shining a light 'cause they wanted it seen	(Paradise) you remind me of a girl I knew paradise
Well, there were cries	(Paradise) born so beautiful (6) aside her
Well, there were cries of why	(Paradise) you (7) me feel like I need your love,
Followed by (2) of why	love, love
Followed by cries of why not	Want to fill me with your love
Can I reach out for you if (3) feels good to me?	Fix me with your love, all right
CHORUS	CHORUS
And the riders will not stop us	CHORUS
'Cause the only love they'll find is paradise	Oh, we'll be livin' in a paradise
No, the riders (4) not stop us	Damn well then make you feel surely
'Cause the only love they'll find is paradise (paradise, yeah)	Like you've (8) never felt before I'll
Mm, don't you know that racism in among future kings	Give myself to you
Can only lead to no good? (to no good)	And if you change your mind
Besides your, sons and daughters (sons and daughters)	I'll do anything
Already know how that feels, one day	Just to (9) the world peaceful
One day (One day)	Just to make life wonderful
All the queens (5) gather round	I will drown all your sorrows
Spreading love and unity so we can be found	In a (10) love paradise
Well then all the writers say it's all to do with drugs	Future love paradise
Drugs for the gentlemen	Future love paradise
When your love	Damn, well, then make you feel surely
Inject me with a love, all right	Like you've never felt before
Oh	I'll give myself
