

Fill in the gaps

But if only you (1) see them	CHORUS
You would know from their faces	Paradise, yeah
There were kings and queens	(Love paradise) one in and out is gonna make you feel good
Followed by princes and princesses	(Paradise) coming at you like a hurricane would
There were future power people	(Paradise) stay close to me I'll (5) be by your
Throwin (2) to the loveless	side
Shining a light 'cause they wanted it seen	Save it, baby, you know that it's all right
Well, there were cries	(Paradise) you remind me of a girl I knew paradise
Well, there were cries of why	(Paradise) born so (6) once aside her
Followed by cries of why	(Paradise) you make me feel like I need (7) love,
Followed by cries of why not	love, love
Can I reach out for you if that feels (3) to me?	Want to (8) me with your love
CHORUS	Fix me with your love, all right
And the riders will not stop us	CHORUS
'Cause the only love they'll find is paradise	CHORUS
No, the riders will not stop us	Oh, we'll be livin' in a paradise
'Cause the only love they'll find is paradise (paradise, yeah)	Damn well then make you feel surely
Mm, don't you know that racism in among future kings	Like you've felt never felt before I'll
Can only lead to no good? (to no good)	Give myself to you
Besides your, sons and daughters (sons and daughters)	And if you change your mind
Already (4) how that feels, one day	I'll do anything
One day (One day)	Just to make the world peaceful
All the queens will gather round	Just to make life wonderful
Spreading love and unity so we can be found	I (9) (10) all your sorrows
Well then all the writers say it's all to do with drugs	In a future love paradise
Drugs for the gentlemen	Future love paradise
When your love	Future love paradise
Inject me with a love, all right	Damn, well, then make you feel surely
Oh	Like you've never felt before
CHORUS	I'll give myself
