

## Fill in the gaps

| (1) people say   | Like there's only one life left to live it up      |
|--|--|
| Party people say   | One life (16) to (17) it up                        |
| It's a new day, it's a new day                           | There's a feeling that I got that I can't give up  |
| The world's getting ready, everybody's ready             | Feeling in my heart that I can't get over          |
| For a new day, for a new day                             | I know that it's coming like the sun come up       |
| Celebrate and say  | (18) me do you feel the same?                      |
| It's (2) to (3) however                                  | (19) say   |
| (4) you want to  | Party (20) say                                     |
| There's no limitation no                                 | Party people say                                   |
| If you love your life, let me see your hands up one time | It's a new day, it's a new day                     |
| I celebrate mine, cause I ain't (5) get no more          | The world's getting ready, everybody's ready       |
| So we can do this all night                              | For a new day, for a new day                       |
| One time, everybody say                                  | Celebrate and say                                  |
| There's a (6) that I got that I can't                    | Clock's on the wall                                |
| (7) up   | It's now or (21) at all                            |
| Feeling in my heart (8) I can't get over                 | I'm gonna give it my all                           |
| I know that it's coming (9) the sun (10)                 | Whether I (22) or fall                             |
| ир   | I'm gonna give it my all                           |
| (11) me do you (12) the same?                            | Party people say                                   |
| everybody say  | Party people say                                   |
| Party people say   | It's a new day, it's a new day                     |
| Party (13) say   | The world's getting ready, everybody's ready, yeah |
| It's a new day, it's a new day                           | For a new day, for a new day                       |
| The world's getting ready, everybody's ready             | Celebrate and say                                  |
| For a new day, for a new day                             | Celebrate and say                                  |
| Celebrate and say  | (23) and say                                       |
| (14) a look in my eyes                                   | Celebrate and say                                  |
| Can't you see I'm ready?                                 |  |
| Come alive, let's get it                                 |  |
| If you wanna touch the sky, hands in the air one time    |  |
| All night, all day                                       |  |
| I'mma live it (15)                                       |  |
