

## Fill in the gaps

It's been a while	I've been under you too (5)
I'm not who I was before	If you (6) that I'm different, don't take it
You look surprised	personally
Your words don't burn me anymore	Don't be mad, it's just a brand new kind of me
Been meaning to tell you but I guess it's (1) to	That ain't bad, I (7) a brand new kind of free
see	It (8) a long, long road to get here
Don't be mad, it's just a brand new kind of me	It took a brave, brave girl to try
Can't be bad	I've taken one too many excuses
I found a brand new kind of free	One too many lies
Careful with your ego,	Don't be surprised, all saying you look surprised
He's the one that we should blame	If you were a friend you wanna get to know me again
Had to grab my heart back	If your were worth a while
God (2) something had to change	You would be happy to see me smile
Thought that you'd be happy	I'm not expecting sorry
I found the one thing I need, why you mad?	I'm too busy finding myself
It's just a brand new kind of me	I've got this, I've found me, I've found me
It (3) a long, long time to get here	I don't need your opinion, I'm not waiting for your okay
It took a brave, brave girl to try	I'll never be perfect, but at least now I'm brave
It took one too many excuses	And now my heart is open, I can finally breathe
One too many (4)	Don't be mad, (9) just a brand new kind o
Don't be surprised, don't be surprised	free
If I talk a little louder	That ain't bad, I found a brand new kind of me
If I speak up when you're wrong	Don't be mad, it's a brand new (10) for me
If I walk a little taller
