

## Fill in the gaps

I saw your picture in a magazine	The past and the present just won't leave me alone
You (1) bigger, brighter, stronger than	Now I see, I do, I (6) I can let go
everything	You took me by surprise and then again and again
And I stood and remembered how you left the scene	Oh I see, I do, I feel I can let go
As you (2) telling everybody about your dreams	Knowing you is killing me again and again
Many times I've been trying to leave you behind me	Well it doesn't make sense
So many times your ghost has followed me home	Well it doesn't (7) sense
Now I see, I do, I feel I can let go	I saw your picture in a magazine
You took me by surprise and then again and again	You looked bigger, brighter, stronger than everything
Oh I see, I do, I (3) I can let go	Now I see, I do, I feel I can let go
Knowing you is killing me again and again	You took me by (8) and then again and
Well it doesn't make sense	again
Your hands were steady and your aim was true	Oh I see, I do, I feel I can let go
A lot of people here, they looked up to you	(9) you is killing me again and again
You spoke for a minute, (4) you made the team	Well it doesn't make sense
Now I'm repeating every word, every thing	
(5) times I've been trying to leave you behind me
