

Fill in the gaps

Your time will come by Amy Macdonald

On, the wind is gently blowing	it (11) time to time
As the light begins to fade	But I (13) in you
I'm sick and tired of playing it off	And everything you'll (14) do
Sick of this parade	So soon your time (15) come
And your (1) are gently weeping	Get out while you're still young
As the sun begins to shine	May all (16) dreams come (17) for
The end is (2) far too soon	someone (18) you
I (3) I had more time	So soon your (19) will come
So soon your time will come	Get out while you're (20) young
Get out while you're still young	May all your dreams come true
May all (4) (5) come true for	So happy for you
(6) like you	So soon your time (21) come
So soon your time (7) come	Get out while you're still young
Get out while you're still young	May all your dreams (22) (23) for
May all your dreams come true	someone like you
So happy for you	So soon your (24) will come
Oh my eyes are (8) tired	Get out while you're still young
As the day begins to break	May all (25) dreams come true
I left it all so far behind	So happy for you
My biggest mistake	
And (9) (10) is not like mine
