## Mr. Rock & Roll by Amy Macdonald

So called Mr. Rock And Roll		But now he wants to be free, free so he can see
Is dancing on his own again		And they'll meet one day
Talking on his phone again		Far away and say:
To someone who tells him that his (1)	is	I wish I was something more
low		And they'll meet one day
He's got no where to go		Far away and say:
He's on his own again		I wish I knew you, I (6) I knew you before
Rock chick of the century		He says: I wish I knew you,
Is acting like she (2) to be		I (7) I met you when time
Dancing like there's no one there		Was still on my side
(3) she never seemed to care		She'll say: I wish I knew you
Now she wouldn't dare		I (8) I loved you before I was his bride
It's so rock and roll to be alone		And so they must depart
And they'll meet one day		Too many more are (9) hearts
Far away and say:		But I've seen that all before
I wish I was something more		In TV, books and (10) and more
And they'll meet one day		And there's a happy ending every single day
Far away and say:		And they'll meet one day
I wish I knew you, I wish I knew you before		Far away and say:
Mrs Black and White		I wish I was something more
She's (4) seen a shade of grey		And they'll meet one day
Always something on her mind		Far away and say:
Every single day but now she's lost her way		I wish I knew you, I wish I knew you before
And where does she go from here		
Mr. Multicultural		
(5) all that one can see		
He's living proof of someone very different to me
