

Fill in the gaps

Cursed like a flame
(1) the very last light is gone
I feel something coming
as the morning down the hall
(2) darkness is coming from my soul
(3) I fear you or should I just let go?
Oh, blackout, I gotta know (4) you're from
(5) are you (6) to tell me I don't know
oh, blackout, now this glow has come
you're in the dark
I could be anyone,
Time stands still but I feel you by my side
But even this moment is running out of time
Oh, blackout, I've gotta know where you're from
what are you trying to tell me I don't know
oh, blackout, now this (7) has come
you're in the dark
I (8) be anyone.
Oh, blackout, now this glow has come
(9) are you trying to tell me I don't know
oh, blackout, I feel where you're (10)
it's from the dark

I could be anyone, don't leave, don't leave me.
