Baby I got love for thee	All I'm trying to say is you're my everything baby
So deep inside of me	But every time I try to say it
I don't know (1) to start	Words they only complicate it, baby, baby
I love you more than anything	Straight up, you got me all in
But the words can't even touch	How could I not be
What's in my heart	I (5) hope you know -I sure hope you know-
When I try to explain it I be sounding insane	If it's even possible
The words don't ever come out right	I love you more than the word love can say it
I get all tongue-tied -and twisted-	It's better not explaining that's why I keep saying
I can't explain what I'm feeling	Baby I
And I say baby, baby	Oh baby, oh baby, my baby -baby I-
Baby -baby I-	Oh baby, baby I -baby I-
Oh baby, oh baby, my baby -baby I-	All I'm (6) to say is you're my everything,
Oh baby, baby I -baby I-	baby
All I'm trying to say is you're my everything, baby	But every time I try to say it
But every time I try to say it	Words they only complicate it
Words they only complicate it, baby, baby	Baby, baby -baby-
Baby I'm so down for you	Baby, baby -baby I-
No matter what you do -real talk- I'll be around	Oh baby, oh baby, oh baby -baby I-
Oh baby, see (2) I've been feeling you	-Baby I-
Before I even (3) what feelings were about	All I'm (7) to say is you're my everything baby
Oh baby	But every time I try to say it
When I try to explain it I be sounding all crazy	Words they (8) complicate it
The words don't ever (4) out right	Every time I try to say it
I get all tongue-tied -and twisted-	Words they (9) complicate it
I can't explain what I'm feeling	Every time I try to say it
And I say baby, baby	Words they only complicate it
Baby -baby I-	Baby, baby, baby
Oh baby, oh baby, my baby -baby I-	
Oh baby, baby I -baby I-
