Apple of my eye by Ash Koley

Fill in the gaps

My mother used to (1) me you're the apple of my	And let us see who does not blink first
eye	Not I, not I
Now I wish to tell you, you are mine	All things changing,
I (2) to steal a smile from you	Us (8) getting by
A kiss from (3) to time	You're still the apple of my eye
Whatever doesn't get me off your mind	Unchanging, always side to side
Move side to side	You are the apple of my eye
And let me get a good look at you	The (9) of my eye
Eye to eye	Let our sun shine bright
And let us see who does not blink first	So (10) can hear it
Not I, not I	Day and night
All things changing,	It'll be our little secret
Us just getting by	All things changing,
You're still the apple of my eye	Us just getting by
Unchanging, always side to side	You're still the apple of my eye
You are the apple of my eye	Unchanging, always side to side
I feel (4) we got through the (5)	You are the apple of my eye
when no one was looking	The apple of my eye
But we're still (6) from the outside in	
Move side to (7)	
And let me get a good look at you	
Eve to eve
