

## Fill in the gaps

Like a (1) on the beach	We don't need to believe every word they say, no
(2) a (3) in the sky	(15) don't know me
Far too many to count with the naked eye	You're the one who (16) (17)
They won't see you	through me
Go ahead	Now you're saying that you knew me
Walk on by	(18) I was invisible
You don't (4) I'm alive	And you're the one who (19) right through me
Maybe one day you'll find	Now you're (20) (21) you knew
You should open (5) eyes	me
You don't know me	When I was invisible
(6) the one who looks right through me	It's so easy to be lost
Now you're saying (7) you (8) me	But (22) you're not (23) at all
When I was invisible	Do you recognize me?
And you're the one who (9) right	Do you know who I am?
(10) me	Do you see me now?
Now you're (11) (12) you knew	Do you see me now?
me	(24) the one who looks right through me
When I was invisible	Now you're saying that you knew me
Little things adding up	(25) I was invisible
Try so hard not to rush	And (26) the one who walked right
(13) in, letting go off the world we know	through me
They won't see you	Now (27) saying (28) you
Force it down	knew me
(14) the taste	When I was invisible
They all think it's a waste	I'm invisible, I'm invisible
