

Fill in the gaps

Winter (1) in London are you making plans	Then your Dad (15) out and chased me down the
Are you still rocking converse with your old Raybans	street
If you're sitting in the (2) that we used to be	If you remember just how (16) I used to be
Or if (3) somewhere listening to Bob	Then I know that you're somewhere thinking of me
Marley	I know wherever you go
Then I (4) that you're somewhere thinking of me	That you'll be thinking about me now
Do you still pick up the (5) on that	I know wherever you go
(6) beach	That you'll be thinking about me
Remember when that (7) (8) up and	Bumped into Irene (17) in waterloo
pinched your feet	She told me (18) you got yourself
When that old guy gave us all those drinks for free	(19) new
Do you still get (9) down by (10)	She said you musta (20) him cos he's oh so nice
Bacardi breeze	But I remember (21) you like a pinch of spice
Then I (11) that you're somewhere thinking of me	Well I
(Oh yes you are)	I know wherever you go
Then I know that you're somewhere thinking of me	That you'll be thinking about me now
(oh uh yeh yeah)	I (22) wherever you go
No (12) regretting that it didn't last	That (23) be thinking about me now
No point regretting that it went so fast	I know wherever you go
Time that we had was like (13) in our hand	That you'll be thinking about me now
But when I (14) behind	
I'm so glad that you were mine	
I remember taking you home on that 86	
Standing in your doorway where we used to kiss
