

## Fill in the gaps

## Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes		And I can't go on	
Some (1) sadness you can never quite disguise		At least not like this	
Now I'm scared to ask what it's leading to		I don't want to lose you	
But I'm (2) afraid of not asking you		But what's the use of holding on	
Is there something that you (3) to tell me		I don't really have you	
Is there something that I ought to know		If the feeling's gone	
Are we something that's still worth (4) for		Is there something I can do to reach you	
Or should I simply let you go		Are we something more than history	
Is there something I can do to reach you		If there's no way to (8)	you to stay
Are we something more than history		And be the way we used to be	
I'll find some way to convince you to stay		Then there's something that I want to tell you	
If you just tell me honestly		And I want you to believe it's true	
Is there (5)	left of you and me	We had (9)	that I'll never forge
You've got secrets you've been keeping for too long		Even if I wanted to	
And I'm going crazy	acting (6) there's nothing	'Cause part of me will always be with you	
wrong			
I can taste the (7)	every time we kiss
