

Fill in the gaps

Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes	And I can't go on
Some deep (1) you can never quite	At least not like this
disguise	I don't want to lose you
Now I'm scared to ask what it's leading to	But what's the use of holding on
But I'm more afraid of not asking you	I don't really have you
Is there something that you want to tell me	If the feeling's gone
Is (2) something that I ought to know	Is there something I can do to reach you
Are we something that's still worth fighting for	Are we something more than history
Or should I (3) let you go	If there's no way to (7) you to stay
Is there something I can do to reach you	And be the way we used to be
Are we something more than history	Then there's something that I want to tell you
I'll find (4) way to convince you to stay	And I want you to believe it's true
If you just tell me honestly	We had (8) that I'll (9)
Is (5) something left of you and me	forget
You've got secrets you've been keeping for too long	Even if I wanted to
And I'm going crazy acting like there's nothing wrong	'Cause part of me will always be with you
I can taste the truth (6) time we kiss
