Is There Something by Christopher Cross

Lately I see clouds of (1) in (2)	And I can't go on
eyes	At least not like this
Some deep sadness you can never quite disguise	I don't want to (18) you
Now I'm scared to ask what it's leading to	But what's the use of holding on
But I'm (3) of not	I don't really have you
(5) you	If the feeling's gone
Is (6) something that you want to tell me	ls (19) I can do to
Is there something (7) I (8) to know	(21) you
Are we something that's still (9) fighting for	Are we something more than history
Or should I (10) let you go	If there's no way to convince you to stay
Is there something I can do to reach you	And be the way we used to be
Are we something more than history	Then there's something that I want to (22) you
I'll find some way to (11) you to stay	And I want you to (23) it's true
If you just (12) me honestly	We had something that I'll never forget
Is there something (13) of you and me	Even if I wanted to
You've got secrets you've been keeping for too long	'Cause part of me will always be with you
And I'm going (14) acting like there's nothing	
wrong	
I can (15) the (16) every	
(17) we kiss
