With my Washburn guitar in a hard (5)	But London left me the Swedish sin
and a bag full of (6) clothes	Suddenly I (19) this voice (20)
I bought a stand by ticket	saying
to the airport in Stansted	(21) into
It felt (7) I was home	disgrace"
I exchanged my Swedish money	You (23) (24) to
I exchanged my Swedish life	behave (25) way
And I exchanged my (8) gender	I started cry as I left the place
But I kept the (9) sin	So London took my virginity
I got a dirty old room at the Avon Hotel	London took my breath away
and the doves woke me up in the morning	London took my past
I was thinking to myself (10) be	But London left me the (26) sin
heaven or above	So (27) (28) my virginity
I put my make up on and I (12) out on the street	London took my breath away
I (13) a club for people like me	London took my past
For an hour there I was a (14) queen	But London (29) me the Swedish sin
