## Liar and a thief by Billie the vision & the dancers

You're no (1) what you wanted to be
You (2) lost the good things I loved (3) you
You're not going where you wanted to go
and my respect for you is vanished and gone
And I know Pablo (4) you're lying to me
You're a monster a liar and a thief
Can't you see what you're doing to me
Are you blind? It's so obvious
So take me down to the paradise city
Where the grass is green
and the boys are just like you
where I can start again
I'm no longer what I wanted to be
I have lost the good things you loved about me
(5) not going where I wanted to go
(5) not going where I wanted to go and your respect for me is (6) and gone
and your respect for me is (6) and gone
and your respect for me is (6) and gone  And I (7) like my reflection these days
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in  Carry me my imaginary (8)
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in  Carry me my imaginary (8)  to the place where I was before
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in  Carry me my imaginary (8)  to the place where I was before  So take me down to the paradise city
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in  Carry me my imaginary (8)  to the place where I was before  So take me down to the paradise city  Where the grass is green
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in  Carry me my imaginary (8)  to the place where I was before  So take me down to the paradise city  Where the grass is green  and the (9) are just (10) you
and your respect for me is (6) and gone  And I (7) like my reflection these days  I give up now I am giving in  Carry me my imaginary (8)  to the place where I was before  So take me down to the paradise city  Where the grass is green  and the (9) are just (10) you  where I can start again
