

Fill in the gaps

I'm finding my heart, using my hands
You're my feet on the ground, my footprints
From where I began
I still carry your love
I feel your love
We start running, running
Till we escape this town
We don't know where we're going
Till we turn up
Now keep on running, running
I can't slow down
And if I'm lost my shadow's fallen
You light me up
(1) all I see is darkness
You light me up
When I'm down
And if I fall apart
And if I fall apart You (2) where to find my pieces
