

## Fill in the gaps

I (1) shelter, in this way
Under cover, hide away
Can you hear when I say
I (2) never felt (3) way?
Maybe I have said
Something (4) was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to drown whenever you leave
I still want to drown whenever you leave  (5) teach me gently how to breathe
