

I find shelter, in this way

## Fill in the gaps

Under cover, (1) away
Can you hear when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
(2) I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so (3) in the air
I still want to drown whenever you leave
Please teach me gently how to breathe
And I'll cross oceans like never before
So you can (4) the way I feel it too
And I'll sing (5) back at you
So you can see the way I (6) it too
Maybe I (7) said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I (8) said
Something that was wrong
Can I (9) it better
With the lights turned on?
